

LifeSavor

*Just getting through life or savoring it?
The stress of being a **first** responder can make
their personal life come in **second**.*

*Peer support helps them recover
their heart and savor life.*

California Peer Support Association's
20th Annual Training Conference
September 9 - 11, 2015
Ventura, CA

www.CaliforniaPeerSupport.org

LifeSavor

All categories of first responders are welcome and can benefit from the conference. As always, we are still massaging the event to have presenters that can meet the needs of all emergency personnel.

Resilience
Substance Abuse
Relationships
Mindfulness
Compassion Fatigue
Communication
Post Shooting Effects
EMDR
Tools for Grief
First Responder Personalities
Post-Relationship Recovery/Divorce Recovery

A debriefing for your team attending the conference is also being offered. There is no extra fee but spaces are limited. Send an e-mail to Info@CaliforniaPeerSupport.org for more information.
